

# Lachute - By mileage

Mileage	Location	Date	Number	Notes
		20/04/1933	49786	Cattle guard exemption at following mileages: 56.74, 58.62, 60.34, 60.6, 61.87, 66.67, 67.7, 72.89, 74.14, 74.89, 83.22, 83.98.
		22/06/1933	50069	Cattle guard exemption: 55.6, 57.6, 57.8, 59.3, 59.4, 59.5, 60.0, 60.5, 60.7.
		08/11/1933	50518	Cattle guard exemption: 77.92, 78.7, 79.17, 79.27, 80.21, 90.46, 91.5, 93.52, 93.89, 109.73, 111.9, 114.46.
		03/03/1959	97269	Company shall erect and place reflective material at following crossings: 56.74, 58.82, 59.03, 63.39, 66.67, 74.89, 90.46, 100.48, 111.40, 114.46.
		29/12/1959	100066	Amends 97269 by adding the following crossings at which reflective material is to be placed: 56.74, 58.82, 59.03, 63.39, 66.67, 74.89, 90.46, 100.48, 111.40, 114.46.
		29/06/1966	121238	CPR ordered to continue to operate trains 132-133 and 137-138 between Montreal and Ottawa via the Lachute sub.
42.58		11/03/1936	52858	Relieves CPR from obligation of maintaining cattle guards at crossing at m. 42.58.
54.8	Dominion Timber and Mineral Co. spur	27/09/1916	25476	CPR authorized to construct, within 3 months, a 1555' spur for Dominion Timber and Minerals.
	Marelan	28/03/1957	91284	Authorizes CPR to relocate the station and station yard at Marelan from m. 54.80 to m. 55.19.
55.2		03/10/1995	1995-R-121	CPR authorized to abandon the Lachute sub. from m. 28.00 to m. 90.10, Thurso, effective October 3, 1995.
56.74	Scotch Road	15/07/1970	R-9388	CPR to install, within 10 months, flashing lights and bell.
		01/03/1971	R-11070	Removes statutory speed limit following accident on 28 Dec 1970.
		03/10/1972	R-15053	Amends R-9388 re. cost apportionment.
		26/01/1976	R-22091	Quebec Dept. of Tpt. authorized to improve crossing.
		26/03/1984	R-36421	Rescinds R-22091.
56.8	Kingey Brook	17/03/1923	33447	CPR authorized to reconstruct bridge No.56.8 over Kingey Brook.
		03/05/1924	34997	CPR authorized to use bridge No.56.8.
58.62	Winfield Road	10/06/1907	3147	CPR authorized to construct a public highway across its tracks at a point between Calumet Station and the Rouge River, twp. of Grenville, County of Argenteuil.
		27/04/1949	72321	Removes statutory speed limit..
		10/02/1958	93607	Removes statutory speed limit following accident on 18 Jan 1958.
58.82	Highway 8	29/07/1940	59446	Authorizes Department of Roads for Quebec to construct a grade level highway crossing over tracks of the CPR at m. 58.82, Lachute subdivision.
	Calumet	07/06/1943	63647	Removes statutory speed limit at CPR crossing first east of Calumet Siding.
	Highway 8	01/11/1952	80086	Removes statutory speed limit at CPR crossing east of Calumet.
		06/05/1960	101160	CPR to install automatic protection at m. 58.82.
		21/03/1961	104062	Amends 101160 re apportionment of costs.
		22/08/1972	R-14750	Following accident on 11 Aug 1972 RTC has decided to hold a public inquiry. need to carry out tests of a train operating at greater than 25 mph upon entering the operating circuits. The statutory speed limit shall nt be in effect at the crossing om Wednesday 23 Aug 1972 in respect of the test train. CPR to provide protection at the crossing during the period of the tests.

Mileage	Location	Date	Number	Notes
58.82	Highway 8	03/01/1973	R-15571	Removes statutory speed limit following accident on 11 Aug 72.
59.5	Calumet	13/12/1940	60076	Authorizing Department of Roads of Quebec to construct two highway crossings of CPR in the village of Calumet.
		13/06/1955	86396	Removes statutory speed limit at crossing east of station at Calumet.
59.68	Pine Street	19/06/1951	76806	Authorizes village of Calumet (1) to construct a highway across CPR at m. 59.68; (2) to construct a pedestrian crossing at m. 59.56.
		29/06/1966	121242	Removes statutory speed limit.
	Pine Street	23/12/1966	123032	Authorizes CPR to install automatic protection.
		07/12/1979	R-30067	Approves changes to automatic protection.
		30/08/1982	R-34262	Amends 123032 re. cost apportionment.
59.9	Calumet River	17/03/1923	33444	CPR authorized to reconstruct bridge No. 60.1 over Calumet River.
		03/05/1924	34999	CPR authorized to use bridge No. 60.1.
60	Canadian Magnesite spur	29/08/1919	28739	CPR authorized to construct, within 3 months, industrial sidings, 1040 and 345 feet long for North American Magnesite Co. at m. 60.00.
60.34	Highway 8	17/06/1966	121140	Authorizes Quebec Dept. of Roads to widen and improve old highway 8.
62	River Rouge	27/06/1923	PC 1923-1179	Approves plan for proposed replacement of three deck truss spans in bridge over Rouge River at m. 62. There is no navigation by boat on the Rouge River at the point of bridge crossing, but the river is used extensively by the Riordan Company and the number of logs gapped at the mouth of the River Rouge represent from 50 million to 60 million feet board. The proposed new steel will consist of three 150' deck truss spans, which will be carried on the existing piers and abutments and the new steel will have 4" greater clearance than the existing steel above the water surface. Approval is subject to the condition that the CPR will arrange to erect the new steel in such a way that the use of falsework in the stream will not seriously affect the extensive logging operations carried on by the Riordan Company and that the company shall establish and maintain lights on the bridge if required to do so by the Department of Marine and Fisheries.
		14/07/1923	33907	Upon reading OIC P.C. 1179, CPR authorized to replace existing 3 150' Deck Truss Spans by 3 150' Deck Truss Spans.
		08/05/1924	35032	CPR authorized to use Bridge No. 62.0.
63.39	Hotel Road	21/08/1951	77215	Authorizes Municipality of Grenville and Augmentation to construct highway across CPR at m. 63.39.
64.3	Riviere au Chene	17/03/1923	33445	CPR authorized to reconstruct bridge No. 64.3.
		07/05/1924	35023	CPR authorized to use bridge No. 64.3.
64.8	Pointe au Chene	03/05/1915	23643	CPR authorized to remove the regular agent at Pointe au Chene provided that a caretaker is appointed.
		16/06/1921	31148	CPR authorized to remove the station agent from Point au Chene and appoint a caretaker.
		04/06/1929	42767	Approves proposed relocation of CPR station at Pointe au Chene.
		28/12/1958	96679	CPR authorized to remove the caretaker-agent at Pointe au Chene.
65.38	Menard Crossing	04/02/1937	53956	CPR ordered to re-establish the gates and roadway over its tracks at m. 65.68 as they existed prior to 5th June 1936; to rebuild the crossing and improve the sight lines to the east of the crossing so as to give a sight line 300 feet to the east of the railway approach, the crossing to be used as a private crossing. Oliver Menard, the applicant, to reimburse CPR one third of the cost of construction and improvement not exceeding \$133.33. The work to be completed not later than June 30, 1937. The crossing had been closed by the railway following an accident with a motor truck at it in 1936. The applicant repeatedly cut the fences and in September 1936 the railway instituted a prosecution against the applicant for destruction of railway property.

Mileage	Location	Date	Number	Notes
65.38	Menard Crossing	13/11/1943	64203	Unless the Municipality of Grenville and Augmentation (Co. Argenteuil) and/or J. Lorenzo Menard of Hawkesbury and Polydore Berthiaume of Ottawa take such steps as are necessary to open up as a public road the road leasing from the existing public road into Menard cottage property (location given); and unless the said Municipality apply to the Board for the opening of a public highway crossing the line of the CPR at m. 65.38, about 1/2 mile above Pointe au Chene Station, the whole on or before 1 May 1944, the railway company is ordered to close the existing crossing at the said point within the limits of the right of way. This follows 53956 of Feb.4, 1937.
	Pointe au Chene	31/07/1945	66312	Authorizes Municipality of Grenville and Augmentation to construct highway crossing over CPR at m. 65.38, lachute subdivision, west of Pointe au Chene Station
65.65		15/06/1945	66150	Authorizes Municipality of Grenville and Augmentation to construct a highway crossing over CPR tracks at m. 65.65 Lachute subdivison.
65.9	Crossing	15/09/1955	86958	Authorizes Twp. of Grenville to construct the highway across CPR at m. 65.9, Lachute subdivision.
66.67	Highway 8	06/09/1952	79706	Removes statutory speed limit follwoing accident on 14 Jul 1952
		22/10/1958	96046	Removes statutory speed limit.
		20/01/1959	96887	Removes statutory speed limit.
		06/06/1960	101388	CPR required to install automatic protection at Highway 8.
	Pointe au Chene	02/11/1960	102861	Removes statutory speed limit.
67.2	Salmon Creek	17/03/1923	33446	CPR authorized to reconstruct bridge No. 67.2 over Salmon Creek.
		03/05/1924	34998	CPR authorized to use bridge No. 67.2.
67.7	Montee Boucher	09/11/1978	R-27933	Quebec Dept. of Tpt. authorized to reconstruct crossing; CPR to install, within 12 months, flashing lights and bell.
		02/10/1979	R-29701	Rescinds R-27833.
70.6	Crossing with SR&N	02/09/1905	632	Salmon River and Northern Railway is authorized to cross the Canadian Pacific at a point four miles east of Monte Bello in the parish of Notre Dame de Bonsecours, County of Ottawa, Quebec, and to connect its track with a siding built from the main line of the Canadian Pacific Railway. The signals required shall consist of four semaphores each placed five hundred feet from the diamond on the track of both railways and interlocked.
		05/10/1905	696	Salmon River and Northern Railway granted an interim order to use the crossing sanctioned on 2 Sept 1905 provided that the crossing only be used between sunrise and sunset and that the SR&N shall provide a flagman to signal to all trains. SR&N trains shall come to a full stop before reaching the crossing and shall not proceed until the signal has been given. This order shall remain in force for a period of ninety days.
		24/04/1906	1044	Interim order issued to Salmon River and Northern Railway extended until 1 July 1906.
70.8	Fassett	07/12/1954	85127	Authorizes CPR to remove the agent at Fassett provided a caretaker-agent is appointed.
		18/12/1958	96597	CPR authorized to remove the caretaker-agent at Fasset and appoint a caretaker. A telephone shall be retained at the station for the use of the caretaker.
		12/01/1966	119594	CPR authorized to remove the caretaker and station building at Fassett provided the station building is replaced by a shelter.
71	Montee Fassett	05/04/1978	R-26623	Quebec Dept. of Tptn. authorized to construct crossing; CPR to instll flashing lights and bell before crossing is opened.
		13/02/1984	R-36232	Rescinds R-36232.
72.08	Cote du Front	22/08/1914	22442	Removes statutory speed limit.
		05/10/1931	47461	Following 43962, CPR directed to provide a farm crossing at m. 72.08.

Mileage	Location	Date	Number	Notes
72.08	Cote du Front	24/11/1943	64245	Authorizes Quebec Department for Roads to construct a temporary crossing over the tracks of CPR at m. 72.08, Lachute subdivision.
		13/08/1959	98832	Authorizes Munic. of Notre Dame de Bon Secours Nord to construct a highway across CPR at m. 72.08.
		08/12/1969	R-7420	CPR to install automatic protection.
		14/03/1974	R-18303	Approves changes to automatic protection.
72.8	Salmon River	27/06/1923	PC 1923-1174	Approves plan for replacement of the 100' through truss span bridge over Salmon River at m. 72.8 by a 106' deck plate girder span. There is no commercial navigation on this stream but it should be considered navigable at the point of crossing owing to its proximity to the Ottawa River. The proposed 106' special deck plate girder will be carried on the existing abutments with altered bridge seats well clear of the highest recorded flood level and affording sufficient clearance for small craft navigation at this point. Approval subject to the condition that lights shall be established and maintained by the CPR on the bridge at any future time that they may be asked for by the Department of marine and Fisheries in the interests of navigation
		10/07/1923	33867	Upon reading OIC P.C. 1174 of 27 Jun 1923, CPR authorized to replace existing 100' through truss span by 100' deck plate girder span.
		15/05/1924	35079	CPR authorized to use Bridge No. 72.8.
72.89	Cote du Front	15/09/1930	45394	Removes statutory speed limit following accident on 6 Jul 1930.
		23/12/1971	R-13276	CPR to install automatic protection.
		20/10/1972	R-15171	Amends R-13276 by authorizing Quebec Dept. of Roads to improve crossing.
		21/11/1974	R-19656	Approves changes to automatic protection.
73.68	Cote Ezilda	21/06/1946	67520	Cattle guard exemption.
		03/12/1964	116182	Removes statutory speed limit.
		23/11/1970	R-10229	Dept. of Roads of Quebec authorized to widen and improve crossing, CPR to install during 1971 flashing lights and bell.
		05/03/1974	R-18236	Approves changes to automatic protection.
74	Montebello	23/06/1930	44906	Approves relocation and details of CPR station at Montebello, m. 74.0.
74.5		22/06/1915	23891	CPR ordered to erect gates at the farm crossing of J. F. Huneault, lot cadastral no. 96.
		11/06/1930	44853	CPR authorized to construct, within 6 months, a wye at m. 74.50.
		09/11/1935	52452	Authorizes CPR to discontinue from Nov 1 to Mar 1 each year the use of bolt-locked derails where wye track connects with passing track to Montebello.
		06/06/1938	56014	Authorizes CPR to discontinue from Nov 1 to Apr 1 each year the use of bolt-locking device on derails where its wye track connects with passing track to Montebello, m. 74.50 Lachute subdivision..
		27/01/1947	68524	Authorizes CPR to remove derails on both legs of wye at Montebello.
74.89	Highway 57	17/10/1922	32997	removes statutory speed limit following accident on 5 Sep 1922.
		04/12/1929	43950	Removes statutory speed limit following accident on 20 Oct 1929.
		17/03/1959	97381	Authorizes Quebec Department of Highways to widen Highway 57 at m. 74.89.
		23/09/1959	99257	Approves CPR plan showing crossing of highway 57 at m. 74.89.
	Highway 323	27/02/1962	107261	CPR required to install automatic protection at Highway 57.
	Highway 57	10/06/1965	117703	Amends 97381 re. cost apportionment.

Mileage	Location	Date	Number	Notes
74.89	Highway 323	24/11/1987	R-41269	Removes statutory speed limit following accident on 12 Aug 1987.
75.47	Lucerne in Quebec Community Association	27/03/1930	44512	CPR authorized to construct a siding and spur, within 6 months, south easterly across highway.
		09/09/1930	45338	Approves vertical clearances at the proposed freight shed.
		24/02/1984	R-36292	Trackage located on private property has been removed and has resulted in the removal of a crossing. 44512 is rescinded.
77.81	Highway 148	06/05/1941	60667	Authorizes Department of Roads of Quebec to close existing crossing of CPR on Route No. 8 m. 77.92 Lachute subdivision and construct a new crossing of CPR at m. 77.81 on relocated Route No. 8.
		19/12/1950	75753	Removes statutory speed limit.
	Highway 148	22/08/1951	77231	Requires CPR to install protection at crossing of Highway no 8, east of Papineauville.
		23/11/1951	77801	Extends time for installation of protection crossing.
		31/12/1958	96746	Removes statutory speed limit.
		07/01/1970	R-7695	Removes statutory speed limit following accident on 22 Nov 1969.
		07/05/1973	R-16474	removes statutory speed limit following accident on 11 Apr 1973.
		12/03/1974	R-18278	Orders report of Mr. L.G. Laramée of 11 Apr 1973 shall be given out.
		17/09/1979	R-29606	Removes statutory speed limit following accident on 9 Aug 1979.
77.92	Papineauville	16/01/1941	60207	Removes statutory speed limit at CPR crossing (Cote du Front), Papineauville.
78.6		29/07/1942	62537	Authorizes Village of Papineauville to construct a highway over the CPR at m. 78.6 lachute subdivision.
78.96		16/05/1968	R-2370	Approves the portion of Fernand Perron's flammable liquid bulk marketing plant located on the CPR right of way at Papineauville, m 78.96.
79	Matte Oil Storage	25/10/1960	102751	Approves flammable liquid storage facilities of Mr. Joseph Matte at m. 79.0, Papineauville.
79.08	Papineauville	17/02/1921	30678	CPR to rearrange, by 15 May 1921, its station facilities at Papineauville.
		15/03/1930	44445	Village of Papineauville authorized to construct a crossing over CPR at St. John Street and to close and convert Laval Street into a farm crossing.
79.1		12/06/1908	4881	Village of Papineauville authorized to construct a street across CPR between Papineau Avenue No. 122 of the cadastre of the parish of Ste. Angélique and lots 108, 98 and 99 of said Cadastre. Cost of maintaining the crossing between the tracks to be borne by CPR.
		06/12/1934	51557	Removes statutory speed limit at Papineau (sic) Station.
		21/10/1953	82401	Removes statutory speed limit at CPR crossing near the station at Papineauville.
79.17	Papineauville Creek	29/06/1923	33829	CPR authorized to replace existing deck girder span over Papineauville Creek by a 15' I beam span.
		07/05/1924	35027	CPR authorized to use bridge over Papineauville Creek authorized by 33829.
	Henri Bourassa Street	13/04/1927	38911	Following accident on 30 Dec 1926 removes statutory speed limit for westbound traffic.
	Papineauville Creek	14/11/1952	80181	Authorizes CPR to replace the bridge at m. 79.17 by a 120" diameter multi plate culvert.
		25/05/1954	83805	Authorizes CPR to operate over the culvert at m. 79.17 authorized by 80181..
	Henri Bourassa Street	02/04/1965	117161	CPR authorized to install automatic protection.
		23/12/1965	119432	Removes speed limit of 10 mph for eastbound traffic.
		12/08/1969	R-6434	Changes in automatic protection.

Mileage	Location	Date	Number	Notes
79.27	Major Street	20/02/1984	R-36279	Removes statutory speed limit following accident on 31 dec 1983.
80.1	Papineauville Creek	29/06/1923	33824	CPR authorized to replace existing deck plate girder span by 33' deck girder span.
		07/05/1924	35026	CPR authorized to replace existing deck plate girder span by 33' deck girder span.
81.16	Highway 8	23/07/1956	89276	Removes statutory speed limit following accident on 4 Jul 1956.
		09/08/1956	89422	Requires CPR to install protection at crossing.
		17/01/1957	90720	Time extension until 9 Aug 1957 for installation of crossing protection ordered by 89422.
		29/05/1980	R-30958	Approves changes to protection.
		21/03/1985	R-37893	Removes statutory speed limit following accident on 15 Feb 1985.
83.22	Montee St. Francois	19/01/1970	R-7736	Quebec Dept. of Highways to improve crossing and CPR to install protection.
		14/04/1982	R-33719	Removes statutory speed limit following accident on 5 Mar 1982.
83.9	Plaisance	14/06/1912	16763	Approves proposed change in location of the CPR station at Plaisance.
		10/08/1921	31375	CPR authorized to remove the station agent from Plaisance upon condition that a caretaker-agent be appointed.
		24/11/1958	96370	CPR authorized to remove the caretaker-agent at Plaisance and appoint a caretaker.
83.98	Papineau Road	19/04/1968	R-2079	Requires CPR to install automatic protection.
84.5		24/06/1912	16871	Removes statutory speed limit first highway west of railway bridge west of plaisance station.
84.6	North Nation River	27/06/1923	PC 1923-1171	Approves plans for proposed replacement of the existing 150', 200' and 100' through truss spans in bridge 84.6, North nation River, by two 78' deck plate girder spans, one 200' through truss span and two 53' deck plate girder spans. the two existing piers and abutments will be altered slightly to provide new bridge seats, and two additional piers will be built to support the new deck plate girders in flanking spans. The roadway on one side of the stream will be slightly deviated by the construction of one of the new piers but there will be ample clearance for roadway traffic under the new deck plate girder span. The proposed 200' through span will have a slightly increased clearance as compared with the existing span over flood water. Approval was given on condition that the CPR facilitate the passage of logs at the bridge crossing in the event of falsework interfering in any way with log drive during the course of construction. When called upon to do so by the Department of Marine and Fisheries, the CPR will install and maintain lights on the bridge as required by that Department.
		13/07/1923	33908	Upon reading OIC P.C. 1171, CPR authorized to replace existing 150', 200' and 100' through truss spans by two 78' deck plate girder spans, one 200' through truss span and two 53' deck plate girder spans.
		08/05/1924	35034	CPR authorized to use bridge No. 84.6.
84.9		28/11/1916	25678	Removes statutory speed limit at first crossing west of Plaisance bridge m. 84.9.
86.45		12/08/1937	54681	Cattle guard exemption Lochaber and Gore at: 86.45; 87.44 & 88.76.
	Montee du Gore	27/10/1971	R-12912	Quebec Dept. of Roada authorized to improve crossing; CPR to install, within 10 months, flashing lights and bell.
