

Renfrew - Locations by Mileage

This was the original OAPS main line. Mileages were originally measured from 0 at Madawaska to Ottawa, Elgin Street at mile 128.5 and later Ottawa, Central Depot at mile 130.2. In later years mileages were measured from east to west, at one time from Montreal. A connection to the Beachburg sub. was laid at Nepean in September 1952 and from there to Rideau Junction was successively abandoned. In this document, mileages between Rideau Junction and Nepean are measured from 0 at Rideau Junction and from Nepean to Madawaska are measured from mille 11.4 at Nepean.

Mileage Location
