

# Local Railway Items from Ottawa Papers - Ottawa and Arnprior

*Wednesday 01/02/1860 The Union, Ottawa Ottawa and Arnprior*

For the past year and a half we have constantly agitated for action in relation to this road. On many occasions we have been subjected to abuse for our advocacy in this matter. The startling effects upon the trade of this city, through the opening of the Brockville Road, are now developing themselves and the warnings offered the public are now appreciated. The wretched mismanagement of our local affairs has thrown back our trade seriously. The outlay on the Public Buildings alone protects our city from ruin. Our merchants and our railway managers could speak feelingly, we believe, of the falling off in business. We hope some energy will now be exhibited to push this road through. The work may be commenced in three months if ordinary exertion is made.
