Friday 24/06/1910 Renfrew Mercury Ottawa, Rideau Valley and Brockvil Ottawa

At a meeting of the directors held here today, it was decided to go ahead at once with the construction of the Ottawa, Rideau Valley and Brockville Railway. The line will run from Brockville to Ottawa by way of Algonquin, North Augusta, Merrickville, Burrits Rapids and Manotick. The line will probably be controlled by the Grand Trunk or some other of the big lines. The survey work will start at once, and it is the intention to make a beginning on the construction of the line this fall. It is hoped to have trains running next summer. The company also has the right to operate boats on the St. Lawrence, and an effort will probably be made to divert much tourist traffic to Ottawa.
