Montreal and Bytown Railroad - The voting by the electors for the by-law in favor of this road, we are happy to return goes on favorably. We think it right, however, to correct an erroneous impression which we find prevails in some quarters, that a charter only binds the company to bring the terminus of the road to Cote a baron. It is the intention, we understand, that there shall be two termini - one in the neighborhood of Viger Square, for passengers and the other near Papineau Road to connect with the river. - Mon. Herald, Sep 3.

Montreal and Bytown Railroad - The time for polling the votes of the electors on the By-law of our City council lending the aid of the City to the above undertaking, expired yesterday; and we are happy to be able to announce the welcome intelligence that the citizens have ratified the By-law by an overwhelming majority. Out of 1,730 votes and over polled, only three were recorded against the road; and when the votes have been scrutinized, it will be found that not one French Canadian elector has polled against the project. - Pilot, 16.
